General Information

BERRYHILL is near the center of the State on Route No. 4 at New Moorefield, Clark County, Ohio,—4 miles from the city limits, northeast of Springfield; 43 miles west of Columbus; 25 miles east of Dayton; 183 miles from Cleveland; 78 miles from Cincinnati—the shortest and best route between Cleveland and Cincinnati.

LARGER ASSORTMENT. We are offering a larger assortment this Fall than ever before in evergreens, ornamental trees and shrubs.

GUARANTEE. We exercise the greatest precaution and care to have our stock true to name, count and grade. It is mutually agreed between the purchaser and ourselves that our guarantee in no case shall make us liable for any sum greater than that quoted. We take special care and pride in balling and burlaping our evergreens.

PRICES AND TERMS. Prices are limited to spring 1930 and supersede all previous lists. We will supply 5 at 10 rate, 25 at 100 rate, respectively. To firms of established credit, our terms are 2% 10 days from date of Invoice; 30 DAYS NET. Interest at the rate of 7% will be charged on all Fall accounts after December 1st.

BOXING AND PACKING, charged at cost of material and labor used.

EVERGREEN TREES

All Evergreen trees have been twice or more transplanted to nursery row, and are carefully dug with a ball of earth and burlaped. Our soil is unsurpassed for balling—heavy, fertile clay loam, containing **no sand or gravel.**
